 **PLATAN ROOM**

Designed for your comfort

## ABOUT THE COMPANY

PLATAN ROOM combine a many years of production experience using innovative technologies, the highest quality of workmanship, as well as a modern and band-new look at design.

We believe that furniture brings harmony to the interior as well as creates a warm and friendly atmosphere.

## COMPANY STYLE

We create laconic furniture based on tradition that perfectly suits contemporary forms. It is functional and at the same time minimalistic, does not overload the space and creates lightness and order.

It proves itself good in classic interiors, in loft style and rooms inspired by the Scandinavian style.

# The URBAN collection

The URBAN collection shows that modernity lies in simplicity.

The URBAN collection was designed not only for aesthetic, but also for maximum comfort and functionality.

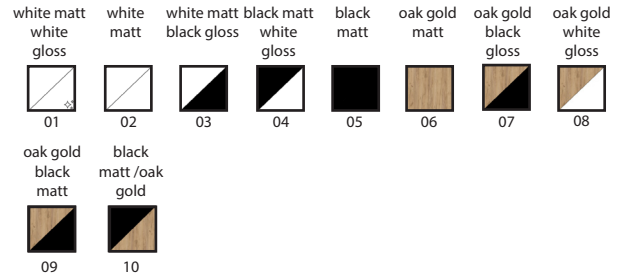

Laconic lines and clear proportions are the hallmarks of it.

## ORA 120 Hanging Cabinet

Product code: ORA120.30.25

- glossy or matte front
- Push-to-Open system
- aesthetic appearance
- size: **120 x 30 x 25 cm**

The URBAN collections are chosen by young and ambitious people who like to avoid the rigid rules of classic interiors. The furniture of this collection embodies the spirit of the metropolis, with its dynamism and striving for freedom.

A tandem of beauty and practicality, comfort and refinement, simplicity and eloquence - these are the main features of this collection.

# The BALANCE collection

BALANCE is the latest collection of furniture that will surely appeal to lovers of simple solutions.

The hallmarks of the BALANCE furniture series are universal design and simple forms that go hand in hand with functionality and space saving.

The furniture will work well in almost any space where it turns out a great help in bringing order.

- seat capacity: 2 or 3 people
- suitable for outdoors

We love wood, our renewable and climate-friendly raw material. That's why we attach particular importance to ensuring that its beauty is shown to its best advantage. Longevity is just as important as aesthetics.

We have designed our garden elements in such a way that no waterlogging can form when they're properly installed. Our garden garniture is easy to maintain and durable.
